### Program:

1. Welcome and introduction – Thor Bern Jensen (WHO CC)
2. Vienna Recommendations and Background – *tbc*
3. Structure, Constitution & Communication – Thor Bern Jensen (WHO CC)
- < BREAK >
4. Example#1: How to get started with HPH – *tbc*
5. Member privileges and obligations – *tbc*
6. Final questions, Certificates & Closure

*The Newcomers workshops are a forum for those that are new to HPH, have just become members, are contemplating becoming members or just have a general interest and look for inspiration on how to get started with HPH. The Newcomers Workshops have been an ongoing event the last years with the same programme each year. The workshop covers issues such as the background and raison d'être for HPH, the organization and ways of working, the things members get out of their membership, what members commit to doing. We also include practical examples from members and task forces on how they work and how they do it.*
