Venue: Griffin Hospital, 130 Division St., Derby, Connecticut
(Transportation to and from Yale University will be arranged).

International Network of
HHealth
Promoting
Hospitals & Health Services

HPH Newcomers workshop

Scope:

The Newcomers' Workshop is a great opportunity for learning more about the International Network of Health Promotion Hospitals & Health Services. The workshop offers inspiration to your HPH work.

Audience:

If you are new to the HPH network, if your hospital or health service has recently joined HPH or is going to do so in the future, or if you have recently started working with health promotion - then the HPH Newcomer's Workshop is something for you!

Aim and content:

At the workshop, we will deal with such topics as HPH background, the Vienna Recommendations, HPH structure and constitution, HPH exchange of knowledge and experience, utilization of HPH web resources, how to get started with HPH work, research in the HPH network, HPH member privileges and obligations and much, much more. The participants are expected to present themselves, their interest in and connection to the HPH Network.

Programme:

- Welcome and introduction *ML Hansen*
- Vienna Recommendations and Background *S Fawkes*
- Structure, Constitution & Communication *ML Hansen*

Break

- Example#1: How to get started with HPH *S Fawkes*
- Member privileges and obligations *ML Hansen*
- Example#2: Which HPH projects and collaborations can I join? *MN Lin*
- Final questions, Certificates & Closure *ML Hansen*

Price: 40 US Dollars (including refreshments)
